Application Checklist

NO WAITLIST, NO PREREQUISITIES, NO TIME TO LOSE.

RN-Bachelor of Science in Nursing Online

Named one of the best private nursing schools in Oklahoma,[1] the Kramer School of Nursing provides a community-focused, service-driven education to guide you into an exceptional nursing career defined by integrity. **Ready to get started?**

To apply for the RN-BSN Online program, applicants must:

- ☐ Hold an active, unencumbered U.S. RN license
- ☐ Be a graduate from an associate's degree RN program approved by a state board of nursing
- ☐ Have a 2.5 GPA
- ☐ Hold current Basic Life Support (BLS) and/or CPR certification

To be considered for admission to the online RN-BSN program, complete the online application. You will also need to submit the following materials:

- ☐ Official transcripts from every previously attended institution
- ☐ Up to 22 credits for portfolio experiences awarded for professional nursing certifications or prior courses taken that were not required by the RN program where the degree was awarded; otherwise requirement is met by additional electives courses
