No Waitlist, No Prerequisites, No Time to Lose.

Oklahoma City University is committed to filling the need for intelligent and compassionate nurses by bringing its prestigious curriculum online. All courses are asynchronous so you can view lectures, read texts, and complete assignments entirely on your own schedule, so you don't have to put the rest of your life on hold. By completing coursework while you continue to work, you'll be able to start applying some new skills and techniques to your nursing career before you even graduate.

Nursing Portfolio Experiences (Up to 22 Credits)

- Current Basic Life Support (BLS) and/or CPR certification (1 credit)

Each of the following items is equivalent to 3 credits:

- 45 continuing education units from an accredited source in nursing (3 credits per CEU)*
- Minimum 3 years of full-time RN employment
- Nursing Skill Certifications*
- National Nursing Certifications*
- Prior courses taken that are not required by the associate's degree RN program where the degree was awarded

*Continuing education units, nursing skill certifications, and national nursing certifications must be completed within the past five years. Please see the admissions page for a full list of accepted nursing skills and national certifications.

EARN AN IN-DEMAND DEGREE ON YOUR OWN TIME FOR BETTER OUTCOMES AND HIGHER EARNING POTENTIAL.[2]
