### BSN Online Credit Breakdown

- 72 credits** for an active U.S. Registered Nurse license
- + Up to **22 portfolio credits** for professional nursing experiences or prior courses
- + **18 credits** core nursing courses
- + **12 credits** ADCP electives

---

**124-credit BSN online**

<sup>1</sup> Curriculum as of July 2022, subject to change  
<sup>2</sup> Each ADCP elective course offers a diversity of topic options and may be repeated with a change in topic. Students who do not meet the 22 credits of portfolio experiences upon admittance to the BSN online may meet the requirement by enrolling in additional electives courses.  
<sup>3</sup> The following items are acceptable forms of portfolio experiences:
 

- 45 continuing education units (CEUs) from an accredited source in nursing
- Minimum three years of full-time RN employment
- Nursing Skill Certifications
- Prior courses taken that are not required by the associate's degree RN program where the degree was awarded
